

This product reduces the surface tension of water, improving its wettability. The excellent wettability of this product improves the penetration of the use solution into areas that otherwise might not be reached. Its quick, penetrating, suspension-type cleaning lifts even embedded soils for effortless cleaning.

***SIMPLY SPRAY ON - WIPE OR HOSE OFF.***  
Highly effective against dirt, grease, soap scum, organic material and urine spots on floors, walls, ceilings, sinks, garbage pails, telephones, plastic and ceramic tile, procelain, metal, concrete, washable painted surfaces, industrial equipment, etc.

Fast, Pleasant Deodorizing: Use this product for the most effective deodorizing cleaning available today. Eliminates unpleasant odors and leaves any area with a pure freshness of pine.  
Recommended for industrial and institutional use, for cafeterias, offices, lavatories, restrooms, kitchens, plant floors and general purpose cleaning.

# PINE CLEANER DEODORIZER

**WATER SOLUBLE

## USE DIRECTIONS

**CLEANING AND DEODORIZING:** Use 1 part of this product per 20 parts water. Cleaning may be accomplished with a clean mop, sponge, squeegee, wet vac. system, or a mechanical spraying device.

**For light cleaning** dilution may be used at 1 part cleaner to 30 parts water.  
For heavier soiled areas 1 part to 10 parts may be required.

For cleaning of walls, floors and industrial work areas, use 5-8 ounces per gallon of water.

**For deodorizing** garbage cans, garbage trucks, industrial waste receptacles, etc. Pre clean with this product and then apply a wetting solution to container at 1 to 30. ac#927

## **CAUTION**

### **KEEP OUT OF REACH OF CHILDREN**

Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food. Do not contaminate water by cleaning or disposing. Should wear gloves when using.
