

**4A CITRUS CLEANERS & DEGREASERS (available in soy)**  
**Natural blends are available as lower cost alternatives to pure citrus**

- RCS127 CITRUS DEGREASER "O" – All Purpose with builders for excellent cleaning & deodorizing**  
A high solids, cleaner and degreaser with the added cleaning power and the freshness of natural orange solvents. Degrease' "O" is water dilutable and will instantly dissolve greasy, oily soils and wash dirt away. May be used by hand or with a high pressure machine.
- RCS127L AUTO-SCRUB CITRUS – Citrus degreaser #RCS127 with a system that controls foam**  
This product is an excellent choice for floor scrubbers to clean oil, grease, dirt, rubber marks and tracks while leaving a fresh citrus scent.
- RCS4450 ORANGE NATURAL 20 Natural Citrus all purpose cleaner**  
A natural water dilutable citrus product that derives its strength from citrus extracts and biodegradable surfactants. This orange based formula removes black heel marks, tar, gum asphalt stains carpet stains, scuff marks, ink, oil, grease and a variety of other difficult soils from ceramic, formica, glass, vinyl, tile, and concrete. Use straight for solvent like degreasing action. Heavy soils use 15-20 oz. Gallon. Light soils use 4-5 oz. per gallon.
- RCS4501 ORANGE PLUS 80 Water dilutable solvent degreaser**  
A strong degreaser or concentrated water based cleaner/deodorizer. 80% active product that derives its power from the solvents extracted from orange peels formulated with a high concentration of biodegradable surfactants. #RCS4501 forms clear microemulsion when mixed with water. These products contain no chlorinated solvents or harsh chemicals and is not corrosive. The natural product will clean and deodorize in one step. Use for all purpose degreasing tar and asphalt removes, tire mark removal, tile & tub cleaner, spot removal, and many other tough cleaning jobs. Use this product where a tough solvent is needed and environmentally safe products are demanded.
- RCS4511 ORANGE PLUS 100 Super strength natural solvent degreaser**  
A super concentrated solvent degreaser/cleaner/deodorizer. 100% active product that derives its power from the solvents extracted from orange peels formulated with a high concentration of biodegradable surfactants. #RCS4511 forms a stable white emulsion when mixed with water. These products contain no chlorinated solvents or harsh chemicals and is not corrosive. The natural product will clean and deodorize in one step. Use for all purpose degreasing tar and asphalt removes, tire mark removal, tile & tub cleaner, spot removal, and many other tough cleaning jobs. Use this product where a tough solvent is needed and environmentally safe products are demanded.
- RCS4516 CITRA-WASH – Natural water miscible blanket & roller wash**  
A super concentrated solvent degreaser. 100% active product that dissolves and removes most soy and oil based ink. Derives its power from the solvents extracted from orange peels formulated with a high concentration of biodegradable surfactants designed specifically to emulsify even difficult ink. Mix 1 part RCS4516 with up to 6 parts water to form a stable white emulsion. Does not contain chlorinated solvents or harsh chemicals and is not corrosive. Use this product where a tough solvent is needed and environmentally safe products are demanded.
- RCS4409 Citra-Jell Natural jell citrus degreaser**  
The right jell degreaser for any surface, including the undersides of any and all equipment. Emulsifies grease, tar, asphalt, and bitumen from everything including painted surfaces, metal, concrete, brick and stone. Will not harm original surface. Use this biodegradable product in place of petroleum and other hazardous chemicals. Citra-jell can even be diluted 1:50 with water for general purpose cleaning and deodorizing.

## **4A CITRUS CLEANERS & DEGREASERS (cont.)**

- RCS4531 CITRUS D-GREAZE - Natural waterless cold degreaser**  
A unique, NATURAL, cold solvent, degreaser and deodorizer contains a natural organic citrus solvent derived from orange peels. This solvent is designed to remove dirt, grease, oil and grime from metallic and non-metallic surfaces. Cleaning is quick and simple without the danger or injury to working parts. Ideally suited for use on electric motors, electronic equipment, ignition systems, generators, power tools, etc. Also used on air conditioning, refrigeration and all types of mechanical equipment. It is a highly effective waterless cleaner with high solvency and low toxicity designed for use in all types of industrial degreasing operations.
- RCS458 CITRA-HC - Waterless citrus hand cleaner (6X1) BOX With 2 dispensers**  
Citrus mechanics hand cleaner. Contains emollients to conditions skin while removing tough grease and grime.
- RCS459 CITRUS-SOLVER**  
Water miscible solvent/citrus blend Emulsifiable degreaser. This product is a solvent degreaser. Dilute with water, kerosene, inexpensive solvent. It is designed to be a low cost but effective emulsifiable degreaser without the traditional solvent odors. The citrus solvent makes this more effective, easier to use and more marketable than traditional emulsifiable degreasers.
- RCS965 CITRA-GRIT 6x5 pound cans waterless hand cleaner**  
Thick gel with grit for heavy grease and dirt cleaning. Contains emollients that leave skin feeling soft.

## **POWDERS**

- RCS1268 CITRUS POWDER SUPER All purpose with natural citrus**  
Water dilutable powder designed to clean any hard surface. Formulated with builders and emulsifiers to quickly dissolve dirt grease and grime. Uses citrus solvents for extra grease cutting and odor control.
