

## 9A FLOOR CARE Cleaning & Maintenance

- RCS038 RAMP SCRUBBER**  
Water dilutable concentrate. Thick liquid scrubbing machine solution. Designed with a special emulsifier to clean and remove deposits on airport ramps, garage floors and offer difficult to clean areas.
- RCS040 SASSASHINE**  
A clean and a protective floor cleaner/maintainer that can be used in an auto scrubber or simply mopped on. Leaves a protective film that protects underlying finish. Reduces the need for stripping or re-coat. Safe on all hard floor surfaces. Meets all requirements of the clean water act.
- RCS140 NEUTRAL CLEANER – Lemon scent Neutral general purpose**  
A mild viscous cleaner pleasantly lemon scented. The perfect product for cleaning and maintaining finished floors. Does not harm finish or effect surfaces gloss. Excellent mild general purpose cleaner with controlled sudsing. Used for marble, wood, linoleum, finished floors, and water safe surfaces. (USDA registered)
- RCS146 SPRING KLEEN APC – Neutral Detergent/Spring scent**  
A mild neutral cleaner, deodorizer. A controlled foaming neutral cleaner with fresh scents. Concentrated product for economical cleaning for finished floors and other hard surfaces.
- RCS147 SCRUBBAMATIC (LOW FOAM) Neutral low foaming cleaner for scrubbing machines**
- RCS159 ANTI-STAT – Inhibits Static Build Up & Dissipates Charge**  
Clear liquid used to inhibit static build-up and dissipate static charge. Use on floors and carpets. Great in winter
- RCS241 MARBLE FLOOR RESTORER**  
Safely removes soap build up, dirt and grease from marble floors.
- RCS242 MARBLE FLOOR MAINTAINER**  
Neutral cleaner for marble & stone
- RCS246 REVITALIZE – Finish Restorer And Cleaner**  
A must for all finish maintenance. Three products in one. Use straight for patching worn areas. Dilute 1 : 1 to revitalize dull finishes, or dilute 1 : 2 parts water for spray buffing. Contains optical brighteners and leveling agents to add life to dull and worn finishes. Use of this product reduces stripping and saves labor and money.
- RCS248 SPRAY BUFF – Spray On & Buff To Bring Back Original Shine**  
Spray buff is applied to floor and buffed with low or high speed machines. Makes dull or worn finishes shine like new.
- RCS269 DUST MOP TREATMENT (Water) Cleans floors – stops dust**  
Water based dust mop treatment designed to trap dust and make clean-ups more efficient and effective.
- RCS270 DUST MOP TREATMENT (oil) Cleans floors – leaves sheen**  
Oil based dust mop treatment traps dust in air and on floors. Cleans and restores shine.
- RCSS270 SOYDUST – Naturally based DUST MOP TREATMENT**  
Natural Oil based dust mop treatment traps dust in air and on floors. Cleans and restores shine. Made with re-newable resources.

## POWDERS

- RCS194 SWEEPING COMPOUND**  
Green dry material for all hard floors. This wax coated product makes clean up fast and dust free. Saves time and labor. (Contains no sand)
- RCS195 OIL ABSORBANT**  
Inert clay is a dust free type absorbent. Absorbs oil or water based spill. Use on any spill for fast absorption, drying, and clean up. Use on any type of floor.

## 9B FLOOR FINISH

### GOOD LOOK RCS210 – 225

High gloss high speed buffable Acrylic emulsion polish. Offers long lasting, non slip shine. Water resistant scuff mark resistant and non yellowing. May be buffed or maintained with a mild neutral cleaner. RCS212 & 214 are good to patch and re-coat. RCS216, 218 and 220 are the standards for finishing freshly sealed or stripped floors. Use 25% for one time application.

RCS210 GOOD LOOK 10% Contractors finish economy

RCS  
216-220 GOOD LOOK 16%, 18% and 20% for Great coverage, easy to apply

RCS220B BLACK BRITE – Black polymer finish for black tile floors

RCS225 GOOD LOOK 25% HIGH SOLIDS Highest solid one step coat

### DIAMOND SHINE RCS237-239

This finish/sealer offers users the most durable hard finish designed for heaviest traffic areas. New technology can be propane burnished or maintained with no buffing. Diamond shine has excellent adhesion for porous surfaces such as stone or terrazzo. This characteristic makes RCS237 the best choice for stone or terrazzo.

RCS237 DIAMOND BRITE  
Hard finish with wet look. Most durable finish. Adheres to stone or concrete. Hi speed buffable daily.

RCS239 DIAMOND BRITE HIGH SOLIDS – Premium finish 22% solids

## 9C FLOOR SEALERS & COATINGS (NON EPOXY)

RCS254, 256, 258 Hi gloss polyacrylate emulsion undercoater. Seals floors and prepares them for finish. Use on terrazzo linoleum, vinyl floors, etc. A very tough sealer for renovating and protecting many floor surfaces. Lasts through multiple stripping operations. Use prior to waxing floors. May also be used as a water based protectant and seal on concrete floors and structures. RCS254-14%, RCS256-16%, RCS258-18%

RCS259 ACRYTHANE – URATHANE FORTIFIED SEALER  
A urethane/acrylic blend for sealing concrete and stone. A tough acrylic sealer with the added adhesion and dilutability of urethane.

RCS740 CLEAR COTE – Stone & Metal coating for waterproofing and beautifying: Excellent graffiti guard.

RCS436 POLYURETHANE – 52% Solids Very Hard Hi Gloss  
A clear urethane finish and sealer for concrete, wood, gym floors, brick, stone, metal mosaic, and equipment. Use to protect and coat surfaces. Beautifies and elongates the life of wood surfaces. Material meets VOC requirements.

RCSGRY1 GREY URETHANE ENAMEL COATING

RCSWHTP WHITE URETHANE ENAMEL COATING

## **9D STRIPPER**

**RCS150 SPEED SUPER STRIPPER**

Most concentrated stripper for fast – no rinse stripping. Dissolves finishes without the use of alkalis or ammonia with exceptional speed. Saves labor & time, does not require a stripping pad.

**RCS152 LOW ODOR STRIPPER**

Designed to strip the toughest finishes without offensive odors. Designed for sensitive stripping operations such as hospitals or restaurants. Use 1:5 with water.

**RCS153 BLITZ – MOP ON STRIPPER Mop on Mop off dilute 1:5**

Strong stripper that removes all floor polishes including detergent resistant waxes and acrylics. This economical one-step stripper emulsifies the old finish and can be picked up with a wet vacuum.

**RCS153S BLITZ SUPER Extra strength for faster action**

**RCS156 FLOOR STRIPPER Fast non ammoniated Synthetic Stripper**

Effective acrylic and wax stripper. This powerful stripper removes old wax and finish quickly. Synthetic stripper is made to be used straight or dilute with up to 10 parts water. Mop on and mop off or use stripping pad for difficult areas. Rinsing is required before applying new finish.

**RCS158 AMMONIATED FLOOR STRIP Ammoniated synthetic stripper**

**RCS709 URETHANE STRIPPER (SEE PAINT REMOVER)**
